

# Investigation, Analysis, and Causal Factors of Three Local GA Accidents

The presentation includes causal factors that led up to each accident based on information in the NTSB accident report and personal discussions with the pilots. You will learn how easily the holes in the Swiss cheese can line up resulting in an accident.

**Directions:** This seminar will be located in the Modern Avionics Hanger.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
